DETAILED ACTION

The Examiner thanks Applicants for their timely response, filed 16 April 2008, in the matter of 10/517,375.

Request for Information

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

The information is required to identify products and services embodying the disclosed subject matter of the elected species known as "FZ-3789" and identify the properties of similar products and services found in the prior art. A search through the instant application reveals that the compound FZ-3789 appears to be a particular species of the core formula (10). However, no specific formula is disclosed.

In response to this requirement, please provide the title, citation and copy of each publication that any of the applicants relied upon to draft the claimed subject matter. For each publication, please provide a concise explanation of the reliance placed on that publication in distinguishing the claimed subject matter from the prior art.

In response to this requirement, please provide the names of any products or services that have incorporated the claimed subject matter.

The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56. Where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained may be accepted as a complete reply to the requirement for that item.

Art Unit: 1615

This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a **shortened statutory period of 2 months**. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
